

Hydrology & Atmospheric Sciences' Awards/Gifts Policy

Approved August 2016 by HAS Faculty

In giving awards to faculty, staff, internal/external committees serving the department, and/or students to recognize exceptional service with a gift, be it monetary, a plaque, or other object of appreciation.

Process for awards:

- Awardees will be nominated by departmental leadership; nominations may include letters of recommendation.
- Approval by leadership and award committee of the department.

The criteria are identified as:

- length of service of more than five years
- service to encompass internal and external activities contributing to the department's mission
- Gift not to exceed \$1,500.
