ACADEMIC PROGRESS BENCHMARKS

**Year 1:** Begin course work and select a Major Advisor to chair your committee & submit request for Transfer Course Work form (if applicable), and submit Master’s Plan of Study

**End Year 2:** Complete course work; finish research and submit for publication; submit Committee Appointment form & take Qualifying Exam if continuing in PHD

Refer to the ATMO Master of Science Degree Handbook for details about the Research Topic, the Thesis, the Scholarly Paper, and Special Notes, see http://has.arizona.edu/master-science-atmospheric-sciences.

ARIZONA RESIDENCY

Minimum residence/enrollment requirements: 12 units must be completed at the University of Arizona; the remaining required units must be satisfied by University credit, graduate-level courses, including on-campus courses, courses not offered on the main campus, and approved thesis credit in absentia.

DOCTORAL QUALIFYING EXAM

An MS student who plans to continue in the doctoral program must have met all core course requirements with an average of 2 As and 2 Bs in order to waive the Qualifying exam by MS major advisor. Continuing students must submit the PhD application to the Graduate College to meet the appropriate deadline—January 15.

MASTER OF SCIENCE GRAD PATH FORMS

Once matriculated into a degree program, Continuous Enrollment is required (fall/spring, fall/spring)—see Graduate Catalog for policies. Summer enrollment is not required unless you complete requirements in the summer. All requirements should be completed within 6 years (from first course work) to ensure currency of knowledge.

GradPath FAQ, https://grad.arizona.edu/gsas/gradpath/faq?audience=35

Responsible Conduct of Research Statement
All students complete this form. Additionally, an RCR Workshop is required for any student funded by an NSF or NIH grant.

Master’s Plan of Study
Submit plan of study after second semester in residence (end of 1st year)
All courses taken, future courses (major and minor), transfer courses, and research/thesis units must be included in the form.

Master’s Committee Appointment
Master’s committee must consist of three members; at least two must be current tenured, tenure-track, or approved tenure-equivalent UA faculty members. If the third member is not a current tenure-track UA faculty member, he or she must be approved by the Graduate College as a special member. A member who is not a current tenure-track faculty member will not be eligible to serve as sole chair of the committee but can serve as co-chair if approved to do so by the Graduate College.

Master’s Completion Confirmation
When the student’s Advisor and committee members approve the student has completed all degree requirements, the Advisor must contact the Graduate Coordinator to process.

Transfer Credit
A maximum of 6 graduate units (approved by DGS) may be transferred from another university for use in the Plan of Study

Petition (use for a variety of reasons)
Petition to take a leave of absence (temporarily suspends continuous enrollment) or extend time to complete a course
